COURSE/INSTRUCTOR EVALUATIONS

Instructor:

Course evaluations are to be completed for every class & for every discussion/lab section.

A #2 pencil is required to complete the evaluation form. Pencils are available in the department office. Please take a few for students who don't have one, but return the pencils to the office afterward.

A TA or student in the class should be assigned the job of administering the course evaluations. For night classes, please try to find someone who is willing to return the evaluations during the day when the office is open. After the evaluations are distributed, the instructor should no longer handle the evaluations, it then becomes the student administrator's responsibility.

Class:

Instructions to be relayed to the class by the instructor or the TA/student administrator:

1. Use of a #2 pencil is required to complete the evaluation form. Please avoid making extraneous marks on the form.
2. Be sure that the information at the top of the evaluation form is completed. The instructor or TA/student administrator will provide the necessary information to you.
3. Please answer the questions as thoughtfully as possible. To the extent that you respond in a serious, honest manner, your instructor will receive feedback regarding his or her instruction.
4. Return the completed evaluation form to the TA/student administrator.
5. The instructor will not see the evaluations until after grades have been submitted.
6. Evaluations are to be completed for both lecture and lab/discussion sections.

TA/Student Administrator:

Please print your name here: Yuze Wang Date: May 10, 2017
